

eCorp Business Online New Features

eCorp gives you the business tools you need to keep your company's finances running smoothly anywhere, at any time. mBank eCorp makes it easy to view your balance, customize account access, initiate secure one-time or recurring transfers and ACH payments, pay your bills, and make remote deposits.

With our most recent update you can experience the following enhanced features:

- **Access to Internal Transfers, ACH Manager, and Wire Manager from the landing page upon login.**

ACH Manager and Wire Manager menus have remained the same. Internal transfers can now be completed without a template.

- **Download Account Information in the Following Compatible File Formats in each individual account level:**

- Comma-Separated Values (.csv)
- QuickBooks (.qbo)
- Microsoft Money (.ofx)
- Quicken (.qfx)

- **Customize Your Homepage Display**

Use the Edit Accounts Icon to customize the order in which your accounts are displayed.

- **Stop Payments and eBusiness can be accessed under the Checks & Deposits Tab.**

- **Home Page Now Features Payments and Transfers for Review.**
